

PUBLIC HEALTH ORDER

WHEREAS, the novel coronavirus (COVID-19) is considered to be an infectious, highly contagious, Communicable and dangerous disease, declared on March 11, 2020 to be a worldwide pandemic by the World Health Organization; and

WHEREAS, the state of Missouri, including Lafayette County, is experiencing the effects of the worldwide COVID19 pandemic, with Lafayette County experiencing a 65% increase in the last 30 days ending August 3, 2020.

WHEREAS, The Center for Disease Control (“CDC”) has determined that a significant portion (40%) of individuals with the coronavirus lack symptoms but can still transmit the virus to others (75% chance of transmission) and those who eventually develop symptoms can transmit the virus to others before showing symptoms; spreading the virus to other people by interacting in close proximity (for example, speaking, coughing, or sneezing); and

WHEREAS, the LCHD, in accordance with CDC guidelines, has continually recommended all persons 2 years of age and older wear a simple cloth face covering over the mouth and nose when in public settings where social distancing is hard to maintain, and when around persons outside their household where other social distancing measures are difficult to maintain, to slow the spread of the virus, and to keep individuals who unknowingly have the virus from transmitting it to others; and

WHEREAS, the Lafayette County Health Department (“LCHD”) is empowered to protect the health and lives of Lafayette County residents; and

WHEREAS, the Lafayette County Health Department wishes to employ means available under law to protect public health, life, safety and property to limit the development, contraction, and spread of COVID-19, pursuant to **Chapter 192, RSMo**; and

WHEREAS, on August 3, 2020, Lafayette County Health Department confirmed 154 cases of COVID-19 in Lafayette County, Missouri, 18 of which have been hospitalized, with Lafayette County’s largest per month case total of 58 new cases in the month of July, with an increase of 28% in the last 14 days as of August 3 and a 2-3 week lag in receiving test results, immediate action is needed to minimize this increase; and

Now therefore, be it ordered by the Lafayette County Public Health Officer and the Lafayette County Health Department Board of Trustees, as follows:

1. Effective at 12:01 AM on August 10, 2020, all persons in Lafayette County shall wear a face covering (mask) at all times when indoors in all public and private buildings and when outdoors, except for the exceptions listed in #5. (See Appendix A for definitions)

2. **When in a place of public accommodation or public indoor space, individuals are required to wear a face covering (mask)**
